

# WEEKLY ANNOUNCEMENTS | February 10, 2019

## MINISTRY & THE NEW GOVERNANCE (PART 3):

### How do I start a new ministry or event?

One of the greatest gifts of our new governance structure is its member-driven way of engaging in ministry. In the past, we have tended to do ministry according to tradition or because things were specified in the bylaws, often leading to people burning out because they were doing things out of a sense of obligation rather than in response to a sense of call or because of their passion for an issue.

Now, if you have an idea for a new mission project, event or faith formation opportunity, or if you feel passionate about taking a stand in response to an issue, all you need to do is follow these simple steps:

- First, speak to a ministry coordinator about your idea. So long as what you are interested in doing falls within the scope of our mission and vision, and so long as you don't need a budget, you are good to go.
- Need funding? Don't be discouraged! We do have funds to support new ministry, but this process will require an extra step before funds can be made available.
- Need help finding resources (both human and financial) or not sure how to let people know what you are up to? The ministry coordinator, working with me, can help resource you and help with promotion both within the church and, if appropriate, in the broader community.

So, dream away! The coordinators are:

**Worship:** Flo Thwaites

**Outreach:** Sandy Uhl

**Faith Formation:** Ann Over

**Community Life:** Pauline Wills

**Congregational Care:** TBD; see Vicki

## LENT 2019: IS GOD REAL?

In 250 words or less, please share your reflections about a time in your life when you experienced the presence of God. It could be a simple encounter, a momentary "aha," or a profoundly moving experience. Please write in the first person to underscore the theme: "Yes! God is real in my life!" Also, note whether we can share your name or if you wish to be anonymous. **Submit your stories to Vicki or Amanda by February 15.** Need help? Reach out to them ASAP and we'll coordinate a brief "interview" for you. Thanks for sharing!

## CAN COLLECTION CONTINUES!

The Souper Bowl of Caring, led by our Youth Group last Sunday, was a great kickoff (see what we did there?) to our collection for the month of February: canned goods for Church Street Ministries. Drop your donations off in the shopping basket in the Parlor and we'll make sure CSM receives your generosity. Thank you!
