

WEEKLY ANNOUNCEMENTS | August 11, 2019

THANK YOU!

One of the gifts of serving as a pastor is a chance for rest and restoration during a period of sabbatical. The eight weeks of time away from the demands of the church have been a blessing even as I missed all of you and the rhythm of the work that I love. I slept more than I normally do (eight hours a night really does feel good!), spent time with Mike (he told me repeatedly how much he enjoyed having my full attention), and cherished doing things at my own pace without impending deadlines for worship and meetings. While sorting through Megan's house was a time consuming and emotionally daunting task, I am so grateful to have had time to complete this work.

I also took time for some worship planning, concluding with a three-day retreat which exceeded all my expectations! Thanks to the Foundation Committee for funding our lakefront rental, an inspirational location which gave us space to get away, and to Debbie Albany, Jarred Sorauf, Sandy Uhl, Pam Wolf, and Amanda Zuehlke for taking time to immerse themselves in the work of worship design.

Most of all, thanks to all of you for supporting this sacred time, for your prayers and well-wishes, and for allowing me both the privilege to serve as your pastor . . . and to take a short break from that sacred role. I look forward to reconnecting with you and to the joyous adventure on which the Spirit will lead us together.

-Vicki McGaw

WELCOME JUDY HAMMER

While we were sad to say goodbye to Halldor Gudmundsson earlier this summer, we are excited to welcome Judy Hammer as our new Coordinator of Youth Ministry. Judy comes to us with extensive experience as an educator, having worked at CWRU, as an ESL teacher, a tutor and reading teacher. In 2017, she earned a masters' in ministry degree with a concentration in pastoral counseling and has since developed and led a number of courses in her home church. Judy's references are stellar and include this endorsement of her work with young people: "She has the exceptional ability to reach people regardless of their culture, age, gender, or socioeconomic status. Her skills in youth development and spiritual mindfulness help students navigate their spiritual journey and provide them with the guidance and personal resources necessary for a lifelong development of faith."

Because of her current work commitments, Judy will begin serving in her new role for five hours per week beginning September 1 and will increase to her regular schedule of fifteen hours per week in January.

Please warmly welcome Judy when you have a chance to meet her!
